<i>Provide a short description of the event and its activities.</i>	

The training was organized by the Center for Education and Innovations CEDIN, ZACHOR foundation and Mémorial de la Shoah.

The key element of the discussion in Bratislava was related to the question of collaboration and gender violence without forgetting the still challenging issues of minorities in both countries. The group had a guided visit of the memory site of Sered' with a debriefing of what should be an accurate and scientific exhibit. Unfortunately, the organizer faced many cancellations.
